Our goal for this newsletter is to have a channel for our members to communicate to all members and prospective members. It is our hope that you will find reasons to use the newsletter to communicate sales, chamber deals and other information pertinent to your business.

Upcoming Events at Saint Benedict's Monastery

Spiritual R & R Day Tuesday, February 4, 9 a.m. to 3:30 p.m. "Come away and rest awhile" (Mark 6:31). Throughout the Gospels, Jesus encourages his disciples to take time away to let their souls catch up with their bodies. The Spiritual R & R Day offers time for quiet prayer, reflection, reading, walking, resting and meeting with a spiritual director, if desired. Group prayer begins and ends the day. Noon Prayer with the sisters at the Oratory and noon meal with the sisters at the monastery are also options. https://sbm.osb.org/event/spiritual-r-r-day-2/

"Running With Expanding Heart: Meeting God in Everyday Life" Thursdays, February 6 and 13 6:30–8:30 p.m. Run: But often we plod, walk, skip, shuffle through our days. With expanding heart: Are we in an exercise program? Meeting God: How does God meet us? How does God catch our attention? How might we respond? Everyday life: It's so daily, routine, at times trite and boring. There are issues that are much more in need of our attention and action. We will explore answers to these questions and ways we can give more attention that is receptive and responsive to God's interruptions in our daily lives. We might leave more convinced and open to daily events as sacred—where we meet God and God meets us. During the day, we will explore some ideas and reflect on them individually and with others in light of the gospel. https://sbm.osb.org/event/running-with-expanding-heart-meeting-god-in-everyday-life/

Introductory Workshop to Centering Prayer Saturday, February 15, 9 a.m. to 3:30 p.m. Four sessions presenting the method of Centering Prayer and its relationship to other forms of Christian prayer. Each session includes time for questions and discussion. Three 20-minute periods of the prayer itself are included during the workshop. https://sbm.osb.org/event/introductory-workshop-to-centering-prayer/

Sophia Program Sunday, February 16, 7 p.m., through Tuesday, February 18, 4:30 p.m. Women bring unique and special gifts to their churches and make significant contributions to ecclesial ministry.

The Sophia Program creates a life-giving network for women in church ministry. It is an opportunity to partner with women who serve in various church-related ministries, including pastoral care, administration, education, faith formation, chaplaincy or liturgy. Participants commit to meet three sessions a year for two years from Sunday evening to Tuesday evening. Applications are due February 6, 2020. https://sbm.osb.org/event/sophia-program/

Doing Ritual: Bringing Our Bodies Along Wednesday, February 19, 9 a.m. to 1 p.m. We are Christians because we believe that the Holy One, who is pure Spirit, took on human flesh in Jesus. God created and loves the material world, including human bodies. Like every Lover, God wants the gift of our entire being. Because we are body/spirit creatures, we need to involve our visible bodies as well as our invisible spirits—minds and hearts—in our worship. We will reflect on the meaning(s) and value of specific liturgical rituals, such as the Sign of the Cross and the Sign of Peace. Noon Prayer with the monastic community at 11:30 a.m. is optional. https://sbm.osb.org/event/doing-ritual-bringing-our-bodies-along/

Listening Our Way Through Lent Wednesday, February 26, 9 a.m. to 4 p.m. Lent can seem so demanding, the road to Easter so long. Where do we even begin? "Listen," Saint Benedict would advise, "Listen with the ear of your heart." Weaving together Scripture, story and Benedictine wisdom, Mary Stommes will lead us to reflect on listening as a rich and fruitful Lenten practice. If we become better listeners—to God and to everyday life—we will more easily recognize the hope and joy of Easter that awaits us at journey's end. https://sbm.osb.org/event/listening-our-way-through-lent/

Sacred Pause Lenten Prayer Thursdays, February 27, March 5, 12, 19, 26, April 2 6:30–8:30 p.m. Gather to share common prayer of lectio divina (prayerful reading) using the Gospels of the Sundays of Lent, followed by a shared meal and fellowship. Meet with a sister spiritual companion for 30 minutes during each week of Lent. https://sbm.osb.org/event/sacred-pause-lenten-prayer/

January is Glaucoma Awareness Month

Information provided via Glaucoma Research Foundation. WWW.GLAUCOMA .ORG

January is National Glaucoma Awareness Month, an important time to spread the word about this sight-stealing disease. Currently, more than 3 million people in the US have glaucoma. The National Eye Institute projects this number will reach 4.2 million by 2030, a 58 percent increase. Glaucoma is called "the sneak thief of sight" since there are no symptoms and once vision is lost, it's permanent. As much as 40% of vision can be lost without a person noticing.

Glaucoma is the leading cause of irreversible blindness.

Over 3 million Americans, and over 60 million people worldwide, have glaucoma. Experts estimate that half of them don't know they have it. Combined with our aging population, we can see an epidemic of blindness looming if we don't raise awareness about the importance of regular eye examinations to preserve vision. The World Health Organization estimates that 4.5 million people worldwide are blind due to glaucoma.

What is Glaucoma?

Glaucoma is a group of eye diseases that gradually steal sight without warning. Although the most common forms primarily affect the middle-aged and the elderly, glaucoma can affect people of all ages.

Vision loss is caused by damage to the optic nerve. This nerve acts like an electric cable with over a million wires. It is responsible for carrying images from the eye to the brain.

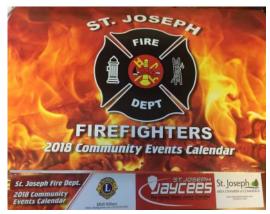

There is no cure for glaucoma—yet. However, medication or surgery can slow or prevent further vision loss. The appropriate treatment depends upon the type of glaucoma among other factors. Early detection is vital to stopping the progress of the disease.

What to do?

Contact your eye doctor. Review the possibilities of vision therapy. SPOT REHAB and HOME CARE offers Low Vision Therapy services. Contact us to learn more. www.spot-rehab.com or 320-259-4151.

NSAIDS...Friend or Foe?

Among the most common over-the-counter pain relievers are Non-Steroidal, Anti-Inflammatory Drugs (NSAIDs). You probably recognize them by names such as aspirin, Advil, Motrin, Aleve or simply ibuprofen.

These and similar drugs block the body's production of prostaglandins, reducing inflammation and fever. These drugs are linked with an increase in heart attacks.

Additionally, studies conducted in Britain are concerning. They concluded the use of NSAIDs led to a greater risk for gastroduodenal conditions (i.e., stomach bleeding, lesions, ulcers). One such study found that one in 1200 patients taking NSAIDs for at least two months died from gastroduodenal complications. The researchers conceded that age and overall health may have affected their outcomes. Yet their results strongly suggest that chronic use of NSAIDs can result in severe complications. They advocate usage of only the minimum dosage for the shortest amount of time.

And as if these effects weren't enough, long-term use of NSAIDs can cause damage to the eyes. That includes dry eyes, cataracts, glaucoma, macular degeneration and retinol hemorrhage.

Besides regular chiropractic care, what are some alternatives you can use to relieve inflammation and pain?

- Fish oils, that contain omega-3 fatty acids, have been shown to be effective in reducing neck and low back pain.
- Reducing sugar and grains from your diet helps lessen arthritis pain.
- Increasing the amount of vitamin D your body receives, through sun exposure or cod liver oil.
- Certain herbs, such as willow bark, are natural alternatives to reduce inflammation and pain.

The bottom line? NSAIDs have recently come under scrutiny by governmental watchdogs. In light of the research, chiropractic care is certainly a safer.

Grey Face Rescue & Retirement is a 501(c)3 non-profit, foster-based senior dog rescue providing quality care and love when the norm becomes unfamiliar.

We strive to raise awareness of the joys and challenges of living with aging animals. While never forgetting where these animals have come from, we emphasize the positive aspects of their life in retirement.

Fostering is FREE! All vet visits and pet supplies are covered by the rescue. All you need to provide is the home these seniors need. Can you help the next dog in need by giving them a safe place to love and trust again?
