

## From the Chamber President:

Is it really almost Halloween?

I want to remind everyone that when you invite your visitors to our November 13 monthly meeting, make sure to direct them to Resurrection Lutheran Church in St. Joseph (610 County Road 2). The location is just a few blocks North of the main intersection in St. Joseph and on the right. Pastor Jennie will be hosting.

We have received very positive feedback from the last St Joseph Chamber of Commerce meeting! Jude DuHoux was our presenter with the topic being social marketing and how to utilize it both in business and personally. Rave reviews have been coming in from those in attendance. Do you know what an "organic search is"? Do you know what you look like on the web when you search your company name or your name? Most of us look in the mirror at least once a day but if you don't know what you look like "on the web", you absolutely should do a search and find out! So, if you missed Jude's presentation don't worry, we will be doing another session.

Jude is our main point of contact at the St Joseph Chamber of Commerce. Most of us, until now, really did not have a solid idea of what she does when she is not responding to inquiries or questions about the St Joseph Chamber or the newsletter.

At the last meeting I asked people to start giving testimonials again about their positive experiences in doing business with other St. Joseph Chamber Businesses. There was a backlog of testimonials that were long overdue. We would encourage testimonial and limit them to just two per member and 60 seconds. My goal is to have so many testimonials that we have to draw names in the future. We are not there yet!

Please remember to bring visitors...invite visitors and identify someone who you would love to have at our meetings to add energy. We will buy your guest lunch but you have to let us know you are bringing a guest and that you both intend to have lunch. Lunch is only \$10 dollars for members and be sure to let us know that you will dine as we carefully order so as to spend the Chamber funds wisely and do not anyone to go away hungry.

There are no completely original ideas so I am stealing this idea from member Donna Roerick a nutritionist and homeopathic expert that originated this idea a couple of weeks ago at another meeting.

When we stand up and give out tag line commercials that are only 30 seconds long...tell us what you actually do. For example, as a professional REALTOR, I could say that I help people buy and sell homes to live in or invest in. Or, one of our current member could say, "I help employers find that employee that is going to be "the right fit for the job" and that will stay with the company for a very long time"! Robert Ringstrom of Strata Performance already makes it very clear what Strata is during each meeting's 30 second commercial.

Come join me at our St. Joseph MN Chamber!

Celebrating the Season of Advent Monday, December 2, 9 a.m. to 1 p.m. It is easy to get wrapped up in shopping, writing cards, cooking, baking, decorating and gathering with family and friends during the busy days before Christmas. In her wisdom, Holy Mother Church provides us with the opportunity during the season of Advent to prepare our minds and hearts for celebrating with joy and renewed understanding the wondrous event we celebrate, the incarnation of our God as a member of our human family. On this first Monday of Advent, participants will reflect on the Gospels of Matthew and Luke as we prepare for the Nativity of Christ in our lives. Participants may wish to bring their personal Bibles to this session. Facilitator: Margaret Michaud, OSB Fee: \$65 (includes noon meal) <https://sbm.osb.org/event/celebrating-the-season-of-advent/>

Prayerful Pause: Advent Tending Gather to share common prayer of lectio Divina (prayerful reading) using the Gospels of the Sundays of Advent, followed by a shared meal and fellowship. Meet with a sister spiritual companion for 30 minutes during each week of Advent. Facilitators: Mary Catherine Holicky, OSB, and Eunice Antony, OSB Dates: Thursdays, December 5, 12, 19 Times: 11:30 a.m. to 12:45 p.m. Limit: 10 participants Fee: \$90 for all three sessions <https://sbm.osb.org/event/prayerful-pause-advent-tending/>

Sacred Circle Gathering Thursday, December 12, 2 – 3:30 p.m. Using the Sacred Circle principles, we engage in deep listening within small circles of six to eight people and share the stories of our lives to gain insight and to give meaning to our lives. An intentional circle of caring and confidentiality provides us with new perspectives for our own personal journeys. Leadership is shared among all circle members. Free will offering accepted. Facilitators: Mary Kay Carle and Susan Clarke <https://sbm.osb.org/event/sacred-circle-gathering-4/>

Spiritual R & R Day Friday, December 13, 9 a.m. to 3:30 p.m. "Come away and rest awhile" (Mark 6:31). Throughout the Gospels, Jesus encourages his disciples to take time away to let their souls catch up with their bodies. The Spiritual R & R Day offers time for quiet prayer, reflection, reading, walking, resting and meeting with a spiritual director, if desired. Group prayer begins and ends the day. Midday prayer with the sisters at the Oratory and noon meal with the sisters at the monastery are also options. Free will offering accepted. Noon meal at the monastery is \$8.50. ## NSAIDS...Friend or Foe?

Among the most common over-the-counter pain relievers are Non-Steroidal, Anti-Inflammatory Drugs (NSAIDs). You probably recognize them by names such as aspirin, Advil, Motrin, Aleve or simply ibuprofen.

These and similar drugs block the body's production of prostaglandins, reducing inflammation and fever. These drugs are linked with an increase in heart attacks.

Additionally, studies conducted in Britain are concerning. They concluded the use of NSAIDs led to a greater risk for gastroduodenal conditions (i.e., stomach bleeding, lesions, ulcers). One such study found that one in 1200 patients taking NSAIDs for at least two months died from gastroduodenal complications. The researchers conceded that age and overall health may have affected their outcomes. Yet their results strongly suggest that chronic use of NSAIDs can result in severe complications. They advocate usage of only the minimum dosage for the shortest amount of time.

And as if these effects weren't enough, long-term use of NSAIDs can cause damage to the eyes. That includes dry eyes, cataracts, glaucoma, macular degeneration and retinal hemorrhage.

Besides regular chiropractic care, what are some alternatives you can use to relieve inflammation and pain?

- Fish oils, that contain omega-3 fatty acids, have been shown to be effective in reducing neck and low back pain.
- Reducing sugar and grains from your diet helps lessen arthritis pain.
- Increasing the amount of vitamin D your body receives, through sun exposure or cod liver oil.
- Certain herbs, such as willow bark, are natural alternatives to reduce inflammation and pain.

The bottom line? NSAIDs have recently come under scrutiny by governmental watchdogs. In light of the research, chiropractic care is certainly a safer.

## Grey Face Rescue & Retirement

### Central Minnesota Senior Dog Rescue

Grey Face Rescue & Retirement is a 501(c)3 non-profit, foster-based senior dog rescue providing quality care and love when the norm becomes unfamiliar.

We strive to raise awareness of the joys and challenges of living with aging animals. While never forgetting where these animals have come from, we emphasize the positive aspects of their life in retirement.

We do not concern ourselves with the quantity of time that they have left, rather the quality of the life that we can provide them for that time.

Fostering is FREE! All vet visits and pet supplies are covered by the rescue. All you need to provide is the home these seniors need. Can you help the next dog in need by giving them a safe place to love and trust again?
