## May is Better Hearing and Speech Month

**Help ensure that no one faces the risk of hearing loss from loud sounds.**

CDC supports Better Hearing and Speech Month (BHSM), founded in 1927 by the American Speech-Language-Hearing Association (ASHA). Each May, this annual event provides an opportunity to raise awareness about hearing and speech problems, and to encourage people to think about their own hearing and get their hearing checked.

Early identification and intervention for hearing loss is important. Many people live with unidentified hearing loss, often failing to realize that they are missing certain sounds and words. Checking one's hearing is the first step toward addressing the issue.

Help us celebrate Better Hearing and Speech Month by having your hearing checked.

SPOT Rehabilitation and Home Care Speech Language Pathologists provide therapy to address developmental and physical areas that affect speech, eating and swallowing in children AND adults.

### 9 areas of assessment and interventions:

## OPERATION ROUND UP® CONTRIBUTES \$55,400 TO 76 LOCAL ORGANIZATIONS AND CAUSES

*Melrose, Minn.* - Stearns Electric's Operation Round Up® Program contributed \$55,400 to 76 area organizations in March. Through the Operation Round Up® program, Stearns Electric Association gives its member-consumers the opportunity to give back to the community by rounding up their electric bill to the nearest dollar.

Since the program's inception in 1993, Operation Round Up (ORU) and Stearns Electric members have awarded over \$2.8 million to 5,100 local non-profit organizations and community service programs. The rounded-up funds, no more than \$11.88 per year, per member, are placed in a trust fund that is administered by the Stearns Electric Association Trust Board.

Trust Board Directors met on March 16 to review applications and funding requests. Seventy-six organizations were selected to receive funds totaling between \$250 to \$1,700 in this round of contributions.

On April 7, a few organizations gathered for a check distribution ceremony at our St. Joseph office.

*The Sisters of the Order of Saint Benedict, St. Joseph, Minn., are a monastic community of women who seek God in their daily lives according to the Gospel and the Rule of Benedict. Through their ministry of prayer, work and community living, they listen and respond to the needs of the Church and the world.*

**“Listen: Does Not Wisdom Call?”**

***Conference Retreat with the Monastic Community***

It is a rhetorical question that Proverbs asks: “Does not Wisdom call?” (8:1). Indeed, Wisdom calls—in Scripture, in the *Rule of Benedict*, in the stories of our individual and communal journeys. Wisdom calls us to listen broadly, to make connections, to weave a seamless whole from apparent scattered threads. When we “listen with the ear of our heart,” we see and hear God in the smallest of things—always and everywhere, God with us! Sharing her love for scripture, story, and Benedictine spirituality, Mary Stommes will invite us simply to listen, to pause and reflect—to see and hear anew the manifold ways that God is with us. Past, present and future. Holy, holy, holy.

**Dates:** Sunday, June 5, 7 p.m., through Friday, June 10, 5 p.m.

**Facilitator:** Mary Stommes, OblSB

**Fee:** \$400 (*includes meals and overnight accommodations*)

In case of inclement weather, retreat will be held inside the Spirituality Center using a canvas floor labyrinth.

**Date:** Wednesday, June 15, 1–3 p.m.

This presentation will especially emphasize the lives of women and people of color in their contribution to Catholic social justice.
